

## **Proven End to End Software for Tax Agents**

Since 2011 GovReports has enhanced and supported an end-to-end cloud solution that combines compliance and practice management functionality for professional Tax Agents.

## Tax | Ledger | Practice Management | e-Signatures

GovReports is a suite of integrated compliance, job tracking, time/billing and e-signature apps with one client database that will simplify the production and management of your services, clients and team.

It's never been this easy to sunset your server and automate the complete process... from adding new clients via an ATO sync to sending engagement letters, tracking your time, finalising the accounts, digital signatures, and then lodging returns and invoicing.

## Super easy to use, full featured cloud software

- Up and running immediately. GovReports operates on all current browsers.
- Nothing to install, maintain or backup.
- Update client details and sync with the ATO.
- Inbuilt unlimited e-signatures.
- Integrated online accounting app for internal use and client work.
- Real time access to ATO Services and Communications.
  - Sync client details.
  - Add new clients and view their tax accounts andoutstanding returns.
  - Upcoming lodgment list.
  - Display all ATO direct client communications.
